

# Northside Dental.

A custom website. A stronger first month.

Desktop and mobile views of the WTM build.

47

Previous monthly average

57

New patients in August

20%+

Increase in month one

26 pages. Seven service lines. Doctor profiles, insurance guidance and a clear path to request an appointment.

Northside reported 57 new patients in August, compared with a prior monthly average of 47. This is a client-reported observation after launch, not a controlled test of the website's impact or a prediction of future results.
